+PLUS[™]

Commit with confidence

You already know that by committing a fixed tonnage to the Emerald Pool you'll receive a very generous premium on top of your Pool return - that's guaranteed additional cash flow early.

Now, we'll also guarantee you a minimum pool return price, and we'll tell you up front what the cost to cancel the contract is if you can't meet your commitment.

✓ Early Order Premiums

More money in your pocket

Imagine if you could:

- ✓ Lock in higher pool premiums for wheat, barley and canola
- ✓ Guarantee a minimum pool price and
- ✓ Lower your risk by locking in a guaranteed contract cancellation fee

Now you can! Emerald's *Early Order Premium +PLUS*[™] allows you to do exactly that. You can now lock in your Emerald pool Early Order Premium, with the added confidence of a **guaranteed minimum pool return** PLUS the piece of mind of a **guaranteed contract cancellation fee**.

✓ Guaranteed Minimum Price

Price protection in a volatile market

Emerald's *Early Order Premium +PLUS*[™] provides you with the added security of a minimum pool price. So you can budget with confidence, secure in the knowledge that you are working with Australia's leading independent pool manager with a history of strong pool returns and out performance. It was, after all, Emerald who pioneered the whole pool premium concept.

✓ Fixed Cancellation Fee

Commit with confidence

Emerald's *Early Order Premium +PLUS*[™] guarantees you a fixed cancellation fee in the event of production failure. So if the season turns against you, there's no need to worry about skyrocketing cancellation fees. Emerald understands the ups and downs of farming, and we will lock in up front, the cancellation fee associated with the *Early Order Premium +PLUS*[™]. So you can lock in your premiums and lock out your risk!

*So lock in your Early Order Premium, lock in your Minimum Price and **lock out your risk!***
