WAFarmers WheatPool, managed by Emerald.

EARLY ORDER PREMIUM EXTENDED UNTIL TUESDAY MARCH 23

There has been strong uptake of the WAFarmers WheatPool March Early Order Premium (EOP) this month, however there has been a number of requests from members asking if the offer could be extended to allow a few extra days to make a decision on committing to the EOP.

Following discussions with Emerald, the WAFarmers WheatPool has agreed to extend the EOP until close of business Tuesday March 23, 2010. This extension is for WAFarmers members only, and due to the high uptake of the EOP and relatively flat markets there will be no further extensions.

So, why should you take part in the WAFarmers WheatPool Early Order Premium again this year? The program allows you:

- To lock in higher pool premiums for wheat;
- The choice to lock-in a guaranteed minimum pool return in the future;
- To lower your risk by a secured Maximum Contract Cancellation Fee; and
- Guarantee access to the Balance of Crop and Early Delivery Premium programs later in the season.

To take advantage of this opportunity, simply fill-in and fax back the below:

	Estimated FOB Pool Return*	March Premium	Maximum Cancellation Fee	Nominated Tonnage	Payment Option (Must be filled out - may be changed prior to harvest)
Wheat (APW)	\$260	\$18	\$18
