## **Philp Brodie Grains offers support to those affected by Queensland Floods**

With severe weather conditions continuing to threaten areas across Queensland and New South Wales, Philp Brodie Grains today offered much needed support to Lifeline Community Care based in Queensland.

Philp Brodie Grains Managing Director, Peter Brodie said that he was proud that his company could assist in this time of need.

“I have long been a huge advocate of Lifeline, a unique organization that performs invaluable work and share the same commitment to supporting regional communities as Philp Brodie Grains do.

I am also happy to announce that through staff contributions, and a corporate donation from Emerald, we are able to donate over \$11,000 to Lifeline. This disaster is one that is obviously close to our hearts as it has affected many of our grower customers and we want to do as much as possible to help in these desperate times,” Peter concluded.

For more information phone the Philp Brodie office on 07 4690 6400 or Emerald’s website [www.emerald-group.com.au](http://www.emerald-group.com.au)
